

# M1-03A-01, 3D Winners podium

## Product composition:

The products are made from high quality EPDM and polyurethane binder.

## Colours:

Red  
Other colours on request  
Colour stability – colour may fade and change due to UV (up to level 3 on gray scale)

## Note:

The binder (Casco XtremeFix) and granulate for surrounding are not a part of the product.

## Product safety:

Certified according to EN1176-1:2017  
Certified safety surface by HIC is not required due to the height of the element up to 600mm  
Safety area of 1500mm around the product.

## Installation:

The required stability of 3D components is secured by sticking to a stable foundation, its shape and weight.

3D graphics may create clusters composed of several individual 3D components (jump from one component to another one).
