

K1-07A-20, 3D Crocodile half balls + 2D legs

Product composition:

The products are made from high quality EPDM and polyurethane binder.

Colours:

May green, signal green, rose, pearl, black Other colours on request

Colour stability – colour may fade and change due to UV(up to level 3 on gray scale)

Note:

The binder (Casco XtremeFix) and granulate for surrounding are not a part of the product.

Product safety:

Certified according to EN1176-1:2017

Certified safety surface by HIC is not required due to the height of the element up to 600mm
Safety area of 1500mm around the product.

Installation:

The required stability of 3D components is secured by sticking to a stable foundation, its shape and weight.

3D graphics may create clusters composed of several individual 3D components (jump from one component to another one).
